Sharing News From Our House to Yours!

A life-changing future

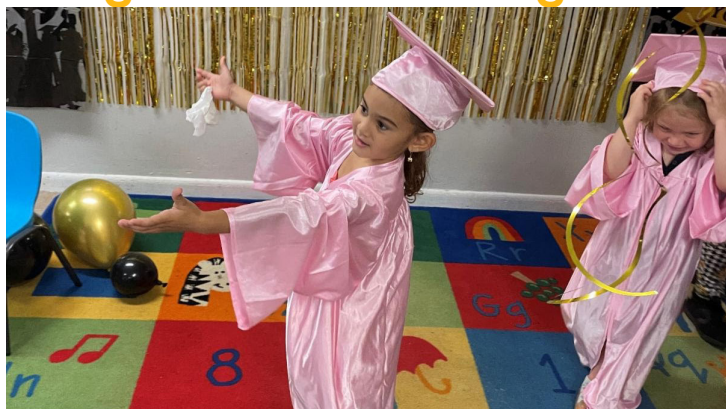

We continue to honor the legacy built by Lifeline Family Center as we live out our long-standing values of faith, hope, and love. Our approach is still to be the hands and feet of Jesus to the next generation as we cherish and protect life, one woman at a time, one family at a time. Thrive has elevated our vision to the next level to empower every woman and child we serve to thrive in their God-given potential. "We are so excited about the future of Thrive. We know that our work in Southwest Florida is not done, and we are excited to continue to be a safe haven for young women to move from surviving to thriving." – Meghan DeLuca, President

In memory of Barbara Montgomery

The Board and Staff of Thrive SWFL (formerly known as Lifeline Family Center) would like to express our love and gratitude to Barbara Montgomery for over 13 years that she served on our Board of Directors. She generously and selflessly gave her time and expertise to this ministry that she held so dear. She had a heart and passion for the woman and children who have called Thrive their home. This passion was driven by her personal connection to the brave decision these women make to choose LIFE for their babies. Her love, mentorship, spiritual guidance, impact, and legacy will resonate through the ministry for many years to come. Barbara is dearly loved and will be greatly missed! We share in the grief of her beloved family and friends and yet, we celebrate her life lived boldly for the Lord, knowing that today she is at peace with Him.

Congratulations to our graduating class!

Families are being transformed at Thrive. Their stories are beautiful and filled with hope and love for the future . . .

Volunteering with Thrive!

We have many opportunities for volunteers, located on our website along with a contact form so we can reach out and send a more detailed application. Additionally, we are seeking grant researchers and proposal writers, event assistance, and fundraising helpers! If any of those are in your wheelhouse, please reach out to admin@thriveswfl.org to let us know your talents!

Summertime Fun!

Well-Being Summer Safety Tips - Water Safety

The state loses more children under the age of five to drowning than any other state in the nation. As we play in the summer sun, it is important to emphasize supervision and swim safety while spending time with friends and family around the pool.

Amazon Wish List Items!

Amazon Smile has ended their charity donation program and therefore our wish list is no longer valid. We are rebuilding our list and ask that you please bookmark it for future use! The new link is https://www.amazon.com/hz/wishlist/ls/BJ1R86QNZEK9?ref_=wl_share

'Moms Day Out' celebration for Mother's Day -- Escape Room!

Do you, or does someone you know, need help?

We want you and your children to have a safe, nurturing place to call home. At Thrive you will have a temporary refuge for healing, restoration and growth. It's not a shelter or a room for rent, but a safe haven and a community of support to guide and encourage you as you build a plan for your life. You will be equipped with the skills, tools and resources you need to provide a healthy, stable, flourishing home for your family. Complete our admissions application on our website and let's begin.
