You're #1 Source for Charity Connections, Ideas and Resources

Meghan DeLuca understands the journey of dedicating her life to a noble cause. As the President & CEO of Thrive, an organization empowering pregnant women and single mothers to realize their God-given potential, Meghan has played a pivotal role in making a positive impact. Her mission involves uplifting and supporting these women, offering them opportunities for growth and fulfillment.

In her role as the President & CEO of Thrive, Meghan DeLuca has been at the forefront of empowering countless lives. Her dedication to helping others has led her to inspire change in the lives of pregnant women and single mothers. She can share her experiences and insights about the transformative work at Thrive, shedding light on the challenges and triumphs of nonprofit leadership.

Meghan DeLuca's remarkable journey extends beyond the nonprofit sector. She has shared her expertise and story with numerous civic organizations and churches. Meghan is among a select group of nonprofit executives participating in the upcoming Nonprofit University, a special training program for leaders currently working in nonprofit leadership positions or those aspiring to do so.

This is your final opportunity to register for the program, which begins on February 1st. Hurry and register before the deadline - don't miss out.

For registrations or inquiries, please send an email to [Alison@capecoralcf.org](mailto:Alison@capecoralcf.org) right away and discover the inspiring world of nonprofit leadership.
