

# Wishing You a Very Merry Christmas!

DECEMBER 2022

*Away in a manger...*

*There's so much to love about Christmas. Whether it's the miraculous story of Jesus' birth or the cherished time we spend with family and friends, this is truly a blessed time of year. Thank you for being a treasured member of our*

*Thrive family!*

*With love at Christmas,  
From our hearts to yours*

### *Alexa's Story!*

Alexa was a woman on a mission to become an EMT so she was better able to provide for her two year old daughter.

She enrolled in EMT School in August and graduated in November with her National EMT certification.

She accepted a full time position as an EMT and endeavors to earn her Paramedic license next.

Congratulations Alexa, we are so proud of you!

### *Kendra's Story*

Kendra made the bold choice to flee a domestic violence situation and begin anew at Thrive. She enrolled in computer programming courses, nurtured her pregnancy and focused on rebuilding her self spiritually, emotionally and physically.

Kendra graduated with a 4.0 in her studies in November and delivered her beautiful baby boy just this week!

Keep seeking His will for your life precious girl!

# Stay Connected!

We are sending ministry updates through **email** and **social media**.

With the US mail so unreliable, people having to leave their damaged homes and costly postage, we want to be able to communicate with greater frequency to our Thrive family. The most effective way to do that is through email newsletters, e-birth notices, and updates via social media.

This enables us to be good stewards of the dollars gifted to Thrive and keeps us in touch with **YOU**, our Thrive family!

**Please send your current email to: [admin@ThriveSWFL.org](mailto:admin@ThriveSWFL.org) to be included in our ministry updates!**
