A life-changing future

"You may feel like it is taking everything just to survive right now. But, there is a safe place where you can dare to dream and hope. The caring staff at Thrive wants you and your children to get the practical help and life giving support that you need to reach your true potential!"

– Meghan DeLuca, President

Do you, or does someone you know, need help?

The Thrive Life Team wants you to have a fresh start. We want you and your children to have a safe, nurturing place to call home. We want to help you do more than just survive. We want to do all we can to help you learn to thrive. At Thrive you will have a temporary refuge for healing, restoration and growth. It's not a shelter or a room for rent, but a safe haven and a community of support to guide and encourage you as you build a plan for your life. You will be equipped with the skills, tools and resources you need to provide a healthy, stable, flourishing home for your family. [Complete our admissions application and let's begin.](#)
